Re: Importation of Unlisted Lower Receivers into California: Stag 15, Fulton Armory, Ameetec
Mega Gator, Superior, Sun Devil

Dear Mr. Robello:

I am writing in response to your inquiry about whether it is legal to send the unlisted AR-15 lower receivers listed above, into California.

The receivers about which you inquired are not listed as Category One assault rifles in California Penal Code 12276, and are not yet named as Category Two assault rifles. Although technically the receivers are legal to purchase and possess in California at this time (assuming they do not have the characteristics listed in Penal Code section 12276.1(a)(1), (a)(2) or (a)(3)), you should be aware that they are virtually identical to assault weapons that are now illegal in California. You should also be aware that we may add them soon to the DOJ Assault Weapons Identification Guide. Therefore, the lower receivers may soon be classified as assault weapons.

Also, please realize that this opinion is not conclusive about the legality of the receivers. A local prosecutor in one of California's 58 counties could decide to prosecute you for illegal importation of assault weapons, regardless of this letter.

I hope this information was helpful. Please feel free to write to me again if you have any additional questions.

Sincerely,

A handwritten signature in cursive script, appearing to read "Alison Merrilees".
